If Buyer has furnished Seller with a valid resale or other exemption certificate or proof of export acceptable to Seller for sales or use tax purposes or other written proof which, in accordance with law, will lead to an exemption with regard to taxes, then such taxes shall not be imposed on the sale of product hereunder. The decision of any two of the three on any point or points shall be final. Until such time as the arbitrators finally close the hearings either party shall have the right by written notice served on the arbitrators and on the other party to specify further disputes or differences under this Agreement for hearing and determination.
